

How to use Your Coop Truck Program

If you are a Land O'Lakes member-owner or cooperative member, do the following:

1. Plan ahead

- If you order your vehicle vs. buying off the lot, you save anywhere from \$2,000 to \$2,500.

2. Pick your dealer and mention that you want to use the "Land O'Lakes Fleet Program".

- Any local dealer can use the program. To order at your local dealer, ask for the Fleet Manager and mention you want to use our program.

OR

- Order your vehicle through our authorized central order dealer, Saxon Fleet, at 800-456-1265 and receive a vehicle spec and price. If ordered it will be delivered to your local dealer for you to pick up.

3. What you need to do

- Have a copy of your past year's equity statement.
- Title vehicle in your business name. If you use your personal name for your business, you will also need to provide a copy of your Schedule F tax form.
- Keep the vehicle for 12 months

Thanks!

The Local Co-op Truck Purchasing Program continues to add value to your cooperative and to co-op members by consolidating "the buy" on fleet equipment. Our program is available to all qualified co-ops, co-op members, Purina dealers and WinField® dealers & qualified customers.

We offer excellent discount programs on: General Motors, Ford, and Chrysler light duty vehicles—our main focus.

Land O'Lakes has saved over \$76 million in manufacturers' volume discounts to producers and members in the past three years, averaging over \$5,500 per vehicle.

Over 4,000 members use our program each year! THANK YOU!
