3. Your account will be approved by a grain originator before you can place offers. Originators will add your New Vision grain account number(s) you would like to place offers and sell grain for. Call the grain line (507) 842-2001, option 2 if you are not approved within 5-10 minutes. This process above is only for logging in for the first time.

Types of Offers

- **Cash:** Indicates the offer will match based on the difference of the price and basis for the commodity.
 - Use **“CASH”** for making offers or cash sales at the current market value.
- **Spot:** Identical to Cash offers except the delivery date will dynamically roll over to the closest date as long as the offer has not expired.
 - Use **“SPOT”** for making offers **ABOVE** the current market value so the offer will remain working until fill/expiration.
- **Futures:** Indicates the offer will match based on the futures price.
- **Basis:** Indicates the offer will match based on the basis price for the commodity.

Placing an Offer

1. Select the location you would like to deliver to or where your grain is stored. Direct ship locations are also available on the site!

The screenshot shows a web interface for placing a bid. At the top, there are two dropdown menus: one for location (currently set to 'BREWSTER') and one for commodity (currently set to 'Corn'). To the right of these is a red button labeled 'Clear all'. Below the location dropdown, a list of locations is visible: AGP Sheldon, ALPHA, BEAVER CREEK, BREWSTER (highlighted with a blue bar and a checkmark), CHS Fairmont, CHS Mankato, DUNDEE, and ELLSWORTH. A mouse cursor is pointing at the 'BREWSTER' option. To the right of the location list, there is a table with a header 'Futures Month' and two rows, both showing 'May 24'.
